Re: Authorization Notice  
Grant County  
T12S-R26-S35, Tax Lot 3900

Dear Mr. Clausen:

I evaluated the wastewater treatment and disposal system at the above referenced parcel on January 28, 1982.

From the information I gathered the system is not adequate to serve up to a three bedroom dwelling.

In order to insure that your system continues to function satisfactorily for as long as possible, I would recommend the following:

A new septic system is required with a new drainfield. Total lines of drainfield is 300 feet or 3 lines of 100 feet. 1000 gallon tank.

If you have any questions, please contact me at 276-4063.

Sincerely,

Charles Chuang

*System was in 2/23/82 - was not being able  
to <sup>inspect</sup> crop this system. I told him to  
cover it up. A permit is issued C3.*
